Call us at 1300 85 45 15 to order

The Able Assist Transfer Aid is designed to provide a secure and effortless solution for carers assisting individuals with transfers—helping users stay actively involved while maintaining their independence.

It is similar to the Sara Stedy Standing Aid and performs the same tasks, helping promote dignity, safety, and independence when it comes to mobility and daily care.

Key features

- Safe & Supportive: Users can hold onto the horizontal bar for stability, while the knee brace offers additional leg support.
- Easy to Manoeuvre: Lightweight and compact, with 4 smooth-rolling wheels (2 with brakes for safety), making transfers seamless.
- Ideal for Multiple Transfers: Effortlessly move users from room to room or directly up to a toilet, ensuring comfort and dignity.
- Strong & Durable: Built with a sturdy aluminium frame, supporting users up to 185 kg while remaining easy to use.
- Perfect for Those Who Can Stand: Designed for individuals who can transition from a seated to a standing position with assistance.
- Fits Through Standard Doorways: The narrow design allows carers to navigate tight spaces with ease.

The Able Assist Transfer Aid makes daily transfers safer, easier, and more comfortable, giving users the confidence to move with greater freedom and dignity. Need help finding the right mobility aid? Our compassionate team is here to assist—call **1300 85 45 15** today!
