The Recliner Electric Lift Chair – Dual Motor for Ultimate Comfort & Support

The Recliner Electric Lift Chair is expertly designed to offer unmatched comfort,

functionality, and support—perfect for those who value both relaxation and independence. Whether you need a helping hand to stand up, relief from pressure and fatigue, or a cosy recliner to unwind, this chair is built to enhance your everyday life.

### Luxurious Comfort

Wrapped in soft, high-quality micro fibre fabric and featuring a plush memory foam seat cushion, the Recliner delivers a visually stunning aesthetic alongside exceptional comfort. Its ergonomically contoured seat and waterfall back design provide superior support for your posture, ensuring you sit and recline with ease.

### Personalised Positioning with Dual Motor Technology

Unlike traditional recliners, the Dual Motor mechanism allows you to adjust the backrest and leg rest independently—giving you an infinite number of reclining positions for maximum comfort, pressure relief, and stability. Whether you're looking to ease back for a nap, elevate your legs, or sit upright with perfect posture, the Recliner adapts to your needs.

And when it's time to stand up, the gentle lift assist function helps you do so effortlessly and safely, making it an ideal solution for those with limited mobility or recovering from an injury.

### Designed to Suit Your Home & Lifestyle

The Recliner Electric Lift Chair is available in two elegant colour options—Graphite (Grey) and Mushroom (Beige)—to complement any home décor. It also comes in two sizes (Standard and Petite) to ensure the perfect fit for every user.

With a 150kg Safe Working Load (SWL), it is built for strength, durability, and long-lasting performance.

### Key Features

Plush Memory Foam Seat Cushion – Enjoy luxurious comfort and pressure relief.

Ergonomically Contoured Seat & Waterfall Back – Provides superior posture support.

Independent Dual Motor Control – Customise your seating position effortlessly.

4-Button Handset – Easily adjust the leg rest, backrest, and lift function at the touch of a button.

Full Recline for Snooze Position – Relax in the perfect sleeping posture.  
High-Quality Microfiber Upholstery – Soft, stylish, and easy to maintain.  
Built-in Convenient Storage Pockets – Keep essentials close at hand.  
Battery Backup Facility – Ensures functionality even during power outages.  
2-Year Warranty – Peace of mind with long-term support.  
Upgrade Your Comfort & Independence Today!

Whether you need a cosy retreat, a supportive seat for posture correction, or a reliable lift-assist chair, the Recliner Electric Lift Chair is here to enhance your comfort and confidence.
