Experience Comfort & Safety with the Etac Clean Attendant Propelled Shower Commode

Designed with both user comfort and caregiver convenience in mind, the Etac Clean Attendant Propelled Shower Commode offers a durable, hygienic, and easy-to-maneuver solution for safe personal care. Built with high-quality, corrosion-resistant materials, its seamless construction eliminates welding seams and holes, minimising the risk of rust and ensuring long-term durability.

The ergonomic push handle design allows for effortless maneuverability, with an upright handle position that ensures a perfect fit over most toilets. For added stability and safety, the commode is equipped with locking castors, providing secure positioning during use.

### Thoughtful Design for Enhanced Hygiene & Comfort

This commode is designed with user dignity and hygiene in mind. The open rear frame and front recess seat allow for intimate hygiene access, making personal care easier and more comfortable. The arm supports provide additional assistance for transfers and can be easily removed when needed. Meanwhile, the curved footplate enhances foot stability and comfort, preventing slipping and promoting a relaxed seated position.

### Functional, Comfortable & Safe

Whether for home use or professional healthcare settings, the Etac Clean Attendant Propelled Shower Commode provides a secure, reliable, and easy-to-use solution for individuals needing assisted bathing and toileting. Experience the next level of hygiene, safety, and independence with this expertly designed mobility aid.

If you are looking to purchase the Etac Clean Attendant Propelled Shower Commode in Melbourne, CarePlus Living Solutions can help.
