

ETAC RELIEVE ANGLED TABLE KNIFE

Price: \$34.00

Product Code: DLA RATK4

Call us at 1300 85 45 15 to order

The ETAC relieve angled table knife have a sharp edge and are angled to assist with cutting. The angle of the handle keeps the wrist straight making efficient use of the strength in the hand and arm. The angled table knives have the same features as the carving knife but a shorter blade to use when eating.

These knives are available in two sizes, one for a normal-sized adult hand and one for small or children's hands.
