

ETAC RELIEVE KITCHEN KNIVES

Product Code: DLA RKK4

Call us at 1300 85 45 15 to order

The ETAC Relieve Kitchen Knives are different to your ordinary knives. These knives allow cutting with a straight wrist which utilises the strength in the hand and arm. They also relieve the strain on the fingers, hands and wrists. The ETAC Relieve Kitchen Knives balance well in the hand and require minimal strength to keep the blade up.

These ETAC Relieve Kitchen knives are available with two different blades:

Smooth CODE: DLA RKKS4 \$74.00
