The iCare IC111 Hospital Bed is our ideal choice for those seeking a low-risk, extra mobility option. Designed with a warm, domestic aesthetic, these bed frames offer two functions for enhanced comfort and support:

- Head lift - Knee break

This model has a fixed base height of 37 cm. Comes with a wipeable, hand piece with backlight for nighttime use. With a wired stretch cord with a hook attachment to the side of the bed.

Strong metal mattress mesh that allows increased air flow.

One 24-watt, 6000-newton motor on the head lift, and one 24-watt, 6000-newton motor on the knee adjustment. Large, lockable, heavy-duty wheel castors.

Available in split queen and split king sizes, they feature split mattresses with no gap and individual controls, ensuring personalised comfort for every user.

Note that this listing only has the bed base and frame and does not include a mattress.

If you are looking to purchase the iCare IC111 Homecare Hospital Bed in Melbourne, CarePlus Living Solutions can help.

Choice of Fabrics

Comes with your choice of hard-wearing commercial fabric or wipeable vinyl upholstery.
