iCare IC30 Gel-Infused ActiveX™ Firm Medium Mattress – Ultimate
Comfort, Support & Pressure Care

Experience a new level of comfort and support with the iCare IC30 Gel-Infused ActiveX™ Mattress, designed to provide exceptional pressure relief and a restful, rejuvenating sleep every night.

- Stay Cool & Comfortable – The gel infusion helps regulate temperature, preventing overheating and ensuring a refreshing sleep surface.
- Clean & Hygienic Sleep – Infused with charcoal, this mattress naturally absorbs odors and moisture, promoting a fresh and healthy environment.
- Optimal Support & Pressure Care – The ActiveX™ technology responds to both temperature and pressure, allowing your body to gently immerse into the surface for exceptional comfort and targeted pressure relief.
- Firm Edge Support – Designed for added stability and durability that reduces rollout, ensuring a secure and supported sleep experience.

Advanced Pressure Care for Better Sleep

- ✓ Pressure rating: Average peak pressure of <19mmHg
- ✓ Ideal for individuals needing high-level pressure care
- ✓ For high-risk clients, we recommend pairing with Icare Zerotec covers for enhanced protection

To provide the most effective pressure relief, we recommend monitoring pressure points with visual checks over a 5-day period to assess the client's needs.

Experience the IC30 Difference

The IC30 Gel-Infused ActiveX™ Mattress isn't just about sleep—it's about enhancing your well-being through superior comfort, temperature regulation, and high-level pressure care. Because a great night's sleep should feel effortless.
