This Kitchen trolley is easy to manoeuvre around confined spaces and has a lockable brake system to ensure that the kitchen trolley is stable when stopped. The handle bars have cable brakes so the user has full control and are height adjustable. Two trays are provided with rolled edges to stop equipment sliding off and can be removed for easy cleaning. Perfect for this recovering and require additional stability to move from say the kitchen to the lounge room having prepared a fine meal or tea. The trays allow this with ease.
