Freedom and Comfort with the Pinnacle Navigator Pro Electric
Wheelchair

Designed with your comfort and independence in mind, the Pinnacle Navigator Pro Power Chair is a daily companion built to empower your lifestyle. Featuring an electric reclining backrest, it allows you to relax and adjust your position effortlessly throughout the day, reducing strain and enhancing comfort.

Lengthy 26 km range

Whether you're heading out for a short errand or enjoying a longer journey, the powerful 250W brushless motors ensure a smooth and steady ride. With a long-range capacity of up to 26 km, you can go about your day with confidence, knowing your wheelchair will keep up with you.

For caregivers and loved ones, the wireless attendant remote offers added peace of mind, making assistance simple and intuitive when needed.

The Pinnacle Navigator Pro isn't just about mobility—it's about restoring your sense of control, comfort, and connection to the world around you.
